

WSC Fall Regatta
 Willamette Sailing Club
 10/17

REGATTA HIGHLIGHTS:

Sailors arrived at 9am to glassy waters and a light breakfast. Teams were divided up amongst the many Portland schools that arrived. After an hour and a half postponement due to rain and thunderstorms, racing got underway at 11:30. Courses were a Windward-Leeward in shifty breeze ranging from 5-12 knots throughout the day. Six races were completed in each division with the final races of the day ending in torrential downpour. Three protests, involving one incident, were heard in front of all competitors resulting in one DSQ. Congratulations to our winning team and thanks to the many parent volunteers who helped put this event on.
