

WILD TURKEY REGATTA

Saturday, November 17
Racing at 12pm and food at 2pm

Bring the whole family for an extra fun afternoon of silly racing, a delicious potluck feast, and great prizes. All boats are welcome. Events may include a wild duck hunt, Optimist Olympics, backwards races, long-distance races, and other nonsensical nautical activities. We will all race together and scoring will be intentionally questionable. We'll sail rain or shine, but in the event of no wind, we'll just enjoy a picnic.

WSC will provide turkey, ham, and soft drinks. Other types of beverages will have to be brought by individuals. Please bring a dish, salad, or dessert to go with the turkey and ham.

Please RSVP and commit to a potluck dish.

We need some volunteers for the following. Please let us know ASAP if you can help!

- Race committee (two people)
- Set up
- Take down and clean up (which is all of us!)

Regatta Chair:
